BRIGHTON COLLEGE
VIETNAM

Teacher of Mathematics - Job Description

Safeguarding Responsibilities

Brighton College is committed to safeguarding and promoting the welfare of our pupils and expects all employees to share this commitment. All applicants should read the College's Safeguarding and Child Protection Policy, which is available on our website, and are required to declare any information as requested on the application form. Applicants must be willing to undergo child protection screening, such as the International Child Protection Certificate (ICPC) if they are UK based/UK national or a police certificate from every country that they have worked in outside the UK, as well as written/verbal reference checks from previous employers and qualification verification checks.

THE DEPARTMENT

The Maths Department is a dynamic, supportive and collaborative team comprising four teachers and a Head of Department. The team is passionate about teaching Mathematics in a way that helps pupils appreciate its relevance and importance in the wider world, develop mathematical thinking and problem-solving skills, and prepare for further study and future careers. The Department fosters a collaborative and inclusive environment where innovative teaching methods (mastery approaches) and resources are embraced. At Key Stage 3, we follow the National Curriculum for England, using White Rose resources to support our teaching and learning. At IGCSE level, we follow the Edexcel specification, and in the Sixth Form we offer all four International Baccalaureate Diploma Programme (IBDP) Mathematics courses.

ROLE SPECIFICATION

The academic success of Brighton College Vietnam is due to excellent, innovative and well-planned teaching. We are looking for individuals who foster a passion for learning and who can demonstrate an ability, and genuine desire, to develop pupils to their fullest potential. The successful candidate is likely to be an experienced practitioner with a proven track record of effective teaching, having obtained excellent public examination results with previous classes.

Some members of our teaching staff have pursued different career paths and have made the move to teaching at a later point. We view this diversity as a strength. We seek candidates with a demonstrable ability to thrive in an intellectually invigorating environment. The ability to inspire children is key, as is a willingness to support the ambition and values of the school and to be involved in the breadth of College life. Successful candidates will be self-reliant and adaptable, with high levels of initiative. Candidates should have a strong academic record, including a good degree in a relevant subject.
