The Brighton College *Family* of Schools

Brighton College was one of the first UK independent schools to take its distinctive approach to education to markets beyond the UK. From the outset of this international development in 2011, when Brighton College Abu Dhabi opened, our driving ambition has been to ensure each new addition to our family of schools is recognisably a Brighton College school. The Brighton College International (BCI) group now has schools in: Abu Dhabi (2011), Al Ain (2013), Krungthep Kreetha, Bangkok (2016), Dubai (2018), Singapore (2020), London (2023), Hanoi (2023) and Vibhavadi, Bangkok (2025).

Brighton College UK

Brighton College – awarded the title of 'School of the Decade' by *The Sunday Times* – is consistently recognised as the UK's leading co-educational independent school. Academic results place Brighton College in the top 10 schools in England.

In addition to the 'School of the Decade' award in 2020, Brighton College has achieved numerous other recent accolades, such as: Most Forward Looking School in Britain (*The Week)*; Top School in Britain for STEM Subjects (*The Week*); Best Sixth Form in Britain (*The Week)*; Top School for A-levels 2025 (*The Sunday Times*) and Best 125 Private Schools Across the Globe (*Carfax Education*). Brighton College international schools across the world are also award-winning in their own right. Recent awards have included: International School of the Year (BC Bangkok 2024, BC Al Ain 2025, ISOTY Awards); Best New School in the UAE (BC Dubai 2024, Top Schools Awards); Top 10 Private Schools in the Middle East (BC Abu Dhabi 2024, Spear's Index); Best Early Years School in the UAE (BC Al Ain, Lux Education Awards); and Best New School (BC Singapore 2023, Singapore Education Awards).

Brighton College International

Brighton College International (BCI) has put in place the structure, resources and expertise to ensure that the Brighton DNA prevails in all Brighton schools. Brighton College's Principal and Group CEO, Richard Cairns, is actively engaged in the work of the international schools, and a team of talented colleagues in BCI provide support across the curriculum, admissions, operations, marketing and innovation.

The Heads in our family of schools receive support from, and regular communication with, the BCI team, whilst being given the autonomy to lead their schools and ensure their school works most effectively in its local context. In addition to support from quality assurance visits by Brighton College UK, there are numerous instances of further collaboration within our family of schools. These include professional development for teachers, pupil collaboration, shared webinars and guest speakers across the group. Alumni from every school are part of the Brighton College Connect network, with several thousand members.

Curiosity, Confidence and Kindness

Every Brighton College school is a happy place, with a warm, inclusive and respectful community. All Brighton schools promote curiosity and a love of learning from our nursery pupils, right through to our leavers at age 18, which is one of the reasons why Brighton College pupils do so well in examinations and go on to many of the world's top universities. Academic endeavour alone is not the full story, however, and exam results, excellent though they are, do not fully reflect the richness of a Brighton education This becomes clear through meeting our pupils: all visitors comment on their confidence – the right sort of confidence – which arises from their being encouraged to participate in lessons and the co-curriculum; to take an active interest in, and involve themselves with, the community beyond the school gates; to learn to collaborate and show one another kindness and respect. We constantly stress the importance of kindness, and encourage pupils actively to seek opportunities to demonstrate their commitment to this vital quality.

With each Brighton College International school embracing the educational values, distinctive character and high standards of Brighton College UK, the Brighton DNA is evident throughout our family of exceptional schools.
